**THE FINE PRINT:** All original equipment manufacturer's names, drawings, colors and part numbers are used for identification purposes only. We are in no way implying that any of our products are original equipment. All parts are guaranteed to meet with your approval. **WARRANTY:** All products sold by Lacal Equipment, Inc. are warranted to be free of defects in material and workmanship for a period of 90 days, provided that the part is used in a normal and reasonable manner. The 90-day period commences from the date that the part is received by the end user. If the product should fail to conform to any warranty outlined herein, Buyer's Remedy shall be limited to the replacement of the non-conforming products or parts thereof. Lacal Equipment shall not be liable for any damages, lost items, or other expenses that may result from defective parts, nor for the payment of any incidental or consequential damages including, but not limited to, personal injury or property damage.

ALL PARTS ORDERED FROM LACAL EQUIPMENT ARE GUARANTEED TO MEET WITH YOUR APPROVAL. Lacal offers after-market replacement parts for road and highway maintenance equipment.

## REVIVING TRUSTED WORKHORSES ONE AT A TIME

Protect your investment and make the most of your budget by rebuilding your existing machine. After assessment, Lactal will provide a detailed work order outlining the scope of work to be performed. Our team will tear down the machine, replacing or rebuilding damaged and worn parts as needed.

Once reassembled, the machine will be cleaned, tested and inspected. Final result? A like-new machine for a fraction of the cost of full replacement.
