### ASSESS

Contact Lactal and discuss your machine's problem areas. An in-person visual assessment will generate a detailed work order, outlining the scope of work to be performed.

### TEAR DOWN

Tear down your machine, replacing or rebuilding damaged and worn parts as needed. Clean, test and inspect every inch.

### REASSEMBLE

We put all the pieces back together, giving you a like-new machine for way less than the cost of new. Extend the life of your investment with Lactal Equipment!
